Carnivore Meat Company Brand Protection and Minimum Advertised Price Policy

Effective March 1, 2023

Background

This Brand Protection and Minimum Advertised Price Policy (this "Policy") establishes requirements for brand protection and minimum advertised prices by Carnivore Meat Company's network of distributors, retailers, and authorized resellers (each a "Dealer," and collectively "Dealers") of the *Vital Essentials*® and *Nature's Advantage*® brands of pet food.

Carnivore Meat Company (also referred to as Carnivore) is a manufacturer of high-quality raw pet food. It does not control the actual sale price to end users in the marketplace. Dealers include independent dealers, national and regional authorized retailers and authorized internet retailers of pet food. Dealers have the ability and discretion to independently sell all products at any price they choose. Carnivore believes that it is important that its Dealers provide appropriate high-quality sales assistance and service to customers considering Carnivore's products.

End customers rely on advertising and online product research to help establish the value of products they purchase. This Policy is intended to ensure that the *Vital Essentials*® and *Nature's Advantage*® branded products are promoted in the marketplace with the appropriate value and brand equity. Advertising and promotional activities play a crucial role in strengthening the image, reputation, and equity of these brands in each market segment that Carnivore serves.

Brand Protection

Carnivore has developed product brands, brand names or trade names that it distributes under its own trademark names and styles. Carnivore also holds copyrights to the material in all its catalogs, websites, social media and advertisements. To monitor the use of its trademarks, trade names, service marks and copyrights, and promote and support appropriate customer service, Carnivore has adopted this Policy applicable to its network of Dealers.

It is Carnivore's policy that, to the fullest extent permitted by law, no Dealer may use Carnivore's trademarks, trade names or service marks including, without limitation, *Vital Essentials*® and *Nature's Advantage*®, or any derivatives thereof, or any of its copyright materials ("Marks and Copyrights"), in any advertising unless the Dealer complies with this Policy. Any license to use Marks and Copyrights will be in a separate written agreement. Carnivore remains the owner of the Marks and Copyrights and goodwill related thereto.

Minimum Advertised Prices

This Policy establishes minimum advertised prices for advertising in any media other than the internet (referred to as the "MAP") and minimum advertised prices for advertising on the internet (referred to as the "IMAP").

The terms of the minimum advertised prices, including with respect to the MAP and the IMAP, are as follows:

- It is a violation of this Policy for Dealers to advertise a price (a) on the internet for *Vital Essentials*® and *Nature's Advantage*® products below the IMAP for such products, and (b) in all other advertisements for *Vital Essentials*® and *Nature's Advantage*® products below the MAP for such products, in each case as established by Carnivore in its sole discretion from time to time. The current IMAP and MAP are set forth on Appendix A. Any and all changes to the IMAP or MAP will be communicated to Dealers, directly or indirectly, by Carnivore.
- Products can be sold by Dealers at any price, including a price below the IMAP or MAP. This Policy only prohibits
 Dealers from advertising products that are below the IMAP or MAP, but not from selling products and parts below

- the IMAP or MAP.
- Advertising practices that have the effect of reducing the advertised price below the IMAP or MAP violate this
 Policy. Combining a product subject to this Policy with a "free" product or in a "package" with other products or
 with a discount coupon would have such an effect.
- Advertising is defined as listing or disseminating a price for a specific product, or listing or disseminating productspecific coupons, rebates, product giveaways, "name-your-price," and other promotional offers, that have the effect of lowering the price.
- Nothing in this Policy concerning minimum advertised prices shall apply to prices displayed in-store, included on in-store advertisements, or included in internet advertisements online targeted to end users after initial contact with the end user.
- MAP advertising media include, but are not limited to:
 - Television/radio commercials
 - o Print including newspapers, flyers, circulars, classified ads
 - Direct mail
 - Catalogs
 - Billboards
- IMAP advertising media include, but are not limited to:
 - o Internet banner, pay-per-click and search ads, including Google AdWords
 - o Mobile ads
 - o Dealer or reseller website
 - Third party retail websites including Amazon.com, Chewy.com, Walmart.com
 - o Online classified ad websites including Craigslist.org
 - o Marketplace sites including Facebook and Walmart
 - o Social media including, but not limited to, Facebook, LinkedIn, Twitter and Instagram
 - Email, mobile or text messaging
- For the purposes of this Policy, listing a product for sale on a Dealer's website or a third-party platform website, including but not limited to Amazon.com and Chewy.com, is considered an advertisement and all listings on such websites are subject to this Policy.
- An auto-ship discount, not to exceed 5%, may be offered to customers for recurring monthly shipments of *Vital Essentials®* and *Nature's Advantage®* products without violating this Policy.
- Carnivore may, at its discretion and at any time, change the IMAP or MAP for a product in order to support a
 market-wide promotion. This change may be communicated, as noted above, to Dealers, directly or indirectly, by
 Carnivore.
- All correspondence between Dealers and Carnivore regarding this Policy must be submitted in writing. If any
 Dealer has questions about this Policy, or wishes to report information concerning prices advertised by another
 Carnivore Dealer, a written correspondence, via e-mail or letter, must be sent to:

Any and all violations of this Policy will be determined at the sole discretion of Carnivore; no Carnivore representative may agree or not agree with any Dealer to take action against a violation or potential violation of this Policy. No representative of Carnivore is authorized to modify or grant exceptions to this Policy. Without limiting any other remedies, Carnivore reserves the unilateral right to take the following actions, in its sole discretion, as a result of any violation.

<u>Violation</u>	Action(s)		
First Violation	Formal warning issued to Dealer. Dealer must correct advertised prici		
	to comply with the IMAP or MAP within 12 hours of receipt of warning.		

<u>Violation</u>	Action(s)
Second Violation (including	Carnivore reserves the right to terminate any Dealer's ability to sell
failure to cure First Violation	Carnivore products
within 24 hours)	

Dealers that receive this Policy are responsible for ensuring compliance from any affiliated companies and any customers. A violation of this Policy by any Indirect affiliated company or customer will be deemed a violation by Dealer, and may subject the Dealer, and if applicable, its affiliated companies, to the recourse schedule set forth above.

Unauthorized Reselling.

It is our policy, to the fullest extent permitted by law, to authorize Dealers to advertise and sell Carnivore's products in accordance with the following:

- Carnivore does not authorize Dealers to advertise or sell on third party retailer platforms (i.e., websites or platforms not owned and operated by the Dealer, such as Amazon), without first receiving written permission to do so from Carnivore.
- Carnivore does not authorize Dealers to advertise or sell Carnivore products outside the US, without first receiving written permission to do so from Carnivore.

Future Changes

Carnivore reserves the right to modify this Policy at any time.

<u>Other information</u>. This Policy is a unilaterally adopted policy. Prices set forth in this Policy are not the minimum selling prices, and this Policy does not require any Dealer to charge (or not charge) a particular price for any product. If a Dealer violates this Policy, then Carnivore reserves the unilateral right to refuse to sell to that Dealer or to take such other actions as Carnivore, in its sole discretion, deems appropriate in light of the particular circumstances. This Policy in and of itself does not prohibit a Dealer from reselling Carnivore products solely as a result of a Dealer not having Carnivore's authority to do so.
